

Pumphouse Community Brewery

Health and Safety Statement

We at the Pumphouse Community Brewery are committed to the Health and Safety of the staff, volunteers and visitors to our premises, we have put at the forefront the health and wellbeing of all involved.

We have taken into consideration the safety of all and the environmental issues involved in our operations, we are committed to keeping all involved in our operations safe and well informed.

This will be carried out by introducing safe methods of work which will include training and monitoring at all operational levels. We will ensure that all volunteers are kept informed as to any changes in practice as they may not be on the premises or involved quite as often as others, we will remain as active towards their wellbeing as full time members.

Our Health and Safety brief also includes visitors to our premises they may include members of the public or contractors employed to carry out specific duties.

We as a committee will ensure that all involved will be provided for as practicable as part of our duty of care.
